ROYAL•RIVIERA
Saint-Jean-Cap-Ferrat

Perched on the peninsula of Cap-Ferrat, between Nice and Monaco, the Royal-Riviera position displays the perfect balance between Mediterranean gardens, landscape and sea.

Combining the elegance of contemporary style and neo-Hellenistic theme, inspired by its neighbour the Villa Kérylos, the Royal-Riviera provides all the intimacy of a private Mediterranean villa with the luxury and glamour of a Belle Epoque palace.

With a dedicated event space, the Royal-Riviera is the perfect confidential venue for 10 to 110 people on any occasion: board meeting, gala dinner, prestigious event, private party, product launch and group incentive.

SAINT-JEAN-CAP-FERRAT ROYAL-RIVIERA

A DISCREET & CONFIDENTIAL LOCATION

The protected natural peninsula of Saint-Jean-Cap-Ferrat offers peace and quiet, a perfect setting to combine business with pleasure.

Away from the hustle and bustle of the cities, the Royal-Riviera gives you the opportunity to take time and unwind, at only 15 minutes away from the main congresses, exhibition centers and entertainment places.

A PERFECT VENUE FOR INCENTIVES

In the heart of the Riviera between sea and mountain, the Royal-Riviera is the perfect place to organize various activities directly from the hotel: sailing regatta, boat excursions starting from its private deck, car rallies on the surrounding roads and team building activities in the hotel's 5 acres garden (e.g film maker or Cluedo scenarios, treasure hunt, eco-challenge, vintage photo rally...).

FULL EXCLUSIVE USE OF THE HOTEL

The hotel offers exclusive use of the whole property from October to April. The exceptional location, breathtaking sceneries and the sunny weather are one of many reasons to organize your events all along the year at the Royal-Riviera.

With its quiet charm and discretion, the Villa l'Orangerie can also be completely privatized to hold smaller events.
