

Argentario Golf & Wellness Resort is nestled in a verdant valley near Porto Ercole, Southern Tuscany, only 90 minutes' drive away from Rome International Airport.

Easy to reach by car, train or helicopter, this design resort enjoys a strategic position for those who want to discover an exclusive and unique side of Maremma. Day trips can be organized to Siena, Florence, Pisa, the islands of Giglio and Giannutri Islands.

The luxury, environmentally-friendly resort features 73 design rooms, independent villas, the PGA National Italy golf course with 18 holes, a wellness center, and two restaurants. Sports facilities also include 2 tennis and 2 padel courts, jogging paths, a modern gym and a small soccer pitch.

The resort also offers real estate opportunities through Argentario Golf Villas, featuring newly built villas on the hills overlooking the golf course and the lagoon.

Argentario Golf & Wellness Resort welcomes guests of all ages and makes travelling with children even more enjoyable for the whole family. The specialized staff can organize tailor-made private or group activities such as wine tasting, cooking classes, boat excursions, horse riding and bike tours.

ARGENTARIO GOLF RESORT & SPA

YOUR PRIVATE TUSCANY

ACCOMMODATION

Rooms & Villas express their individual personality through a sophisticated and comfortable design, ranging from the minimalist look in a contemporary art-gallery style to the glamorous and metropolitan spirit with chrome plating and stone tubs.

All Rooms & Villas have private balconies or terraces with views of the Mediterranean greenery or of the golf course up to Orbetello Lagoon.

DINING

The Dama Dama and Club House restaurants propose a cuisine based on the flavors and the colors of the local territory. Dishes are prepared using genuine products that come from small, carefully selected local farms. The resort includes 2 bars and a wine shop, and can organize on-site cooking lessons & tastings of wine and chocolate.

The restaurants also propose the innovative cuisine of the Wellbeing Method, a new concept centered on reaching a balanced and healthy physical and mental state.

GOLF & WELLNESS

The 18-hole golf course (PGA National Italy) lies in a protected natural area and has the "Agri Cert" certification for its bio eco-compatibility. The lagoon and the sea create a microclimate that allows sports to be enjoyed 360 days a year. Espace Wellness Center includes a gym, a heated indoor swimming pool and humid zone, massage cabins and tanning beds. In this specialized nutrition spa you can experience the Wellbeing Method, involving food re-education & exclusive treatments.

TERRITORY & ACTIVITIES

Maremma is a striking land that stretches between the beaches of the Mediterranean Sea and the rolling hills of Tuscany off the beaten path, between Florence & Rome. Activities include Sailing, Fishing, Bike tours, Horse riding, Wine tasting in local design wineries or in the nearby Chianti vineyards.
