Style & Décor

LOCATION: The Saccharum is located in Calheta on the west coast of Madeira, next to the marina and sandy beach, sitting proudly between the impressive mountains and the dazzling ocean. Built on the same site where an old sugar cane mill once stood, the hotel adopted the local sugar cane heritage as part of its interior décor.

BEDROOMS: All 243 rooms and suites (some with kitchenette) have generously-sized rooms; Suites and Junior Suites have a private balcony, the majority of which overlook the sea. The décor is luxurious and modern.

FACILITIES: The facilities here are upscale and incorporate a luxurious spa offering an extensive variety of indulging spa treatments, an indoor pool and gym. Further additions include a second indoor pool, three outdoor swimming pools (1 children's splash pool), as well as a games room with squash court and also a Kids Club. Three restaurants (buffet & à la carte) and 4 bars, one featuring live music, make up the elegant eating and drinking options, together with a barbecue terrace that allows al fresco dining with superb ocean views. Free Wi-Fi throughout the hotel and private transportation to Funchal city.
