## ACCOMMODATION

Encompassing three distinct hotels under one hospitality umbrella, One Farrer Hotel has 243 chic contemporary rooms, studios, apartments, suites and villas. The hotel's 'hotels-within-a-hotel' concept allows us to craft our accommodation and amenities to meet and exceed the expectations of our residents.

Thoughtful consideration has been given to creating a 'total lifestyle environment' in all our rooms, from the comfort of our beds to generous-sized rain showers, 55-inch smart televisions and in-room mood lighting.

### ■ URBAN HOTEL

Featuring spacious rooms that are residential in scale and feel, the Urban Hotel is a sanctuary for business and leisure travellers. Residents can enjoy the latest movies from their in-room entertainment system and create their personal environment for work or relaxation with mood lighting and temperature controls at the touch of a button.

### ■ LOFT APARTMENTS

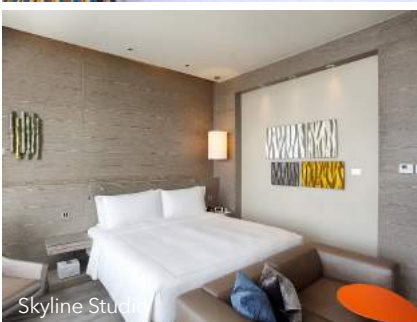

The complete home-away-from-home, the Loft Apartments are perfect for an extended stay, offering expansive views of the urban skyline across the duplex units, coupled with the convenience of an en-suite kitchenette.

### ■ SKYLINE HOTEL AND VILLAS

Above it all is the Skyline Hotel, inclusive of six distinctive Sky Villas. The Skyline Hotel provides the ultimate privacy and service quality within a penthouse environment. Residents arrive at Level 18 and enter an exclusive space featuring the Skyline Lounge complete with individualised dining and relaxation amenities, including complete business and fitness centres and swimming pool.
