AMSTERDAM -
NORTH RIVERSIDE

A SMARTER STAY BEGINS HERE

At Holiday Inn Express® Amsterdam – North Riverside, we keep it simple and smart by providing our guests with more where it matters most to them.

We believe travel should be without hassle and complication. But we also believe travel should have more to offer, such as faster check-in, breakfast included, free Wi-Fi, great quality bedding and everything else needed for a great stay within arms' reach.

When you stay with us, you can enjoy a spectacular view from the 7th floor which overlooks the northern shore of the IJ and Amsterdam city and take advantage of our private parking garage.

If you're up for a day of exploring, a free ferry is just a 10-minute walk away and it will take you directly to the city centre and central station! Are you here for an event? RAI Convention Centre is only 4 stops away. We're also just 200m away from event venue 'de Kromhouthal'!
