

INTERCONTINENTAL MADRID

InterContinental Meetings strive to capture a genuine sense of place and shared experience in order to inspire meetings that truly engage delegates and get results. Our success is founded on delivering a seamless service in environments that inspire delegates to connect with their surroundings and with each other. Whatever the event, the InterContinental Meetings team understands what it takes to make life easier for the planner and create a memorable and highly rewarding occasion for those attending.

AN EMBLEMATIC HOTEL IN THE HEART OF PASEO DE LA CASTELLANA

Built in 1953 on the site of an eighteenth century palace, the hotel retains all the class of the golden years of Hollywood and of artists who, like Ava Gardner and Frank Sinatra, created the history of this mythical hotel. It is situated in one of the best areas of the city, just a few minutes from the exclusive shopping area of Calle Serrano, the “Golden Triangle of Art” and the historic centre.

HOTEL FACILITIES

Situated at number 49 of the centrally located Paseo de la Castellana, the hotel has 302 rooms and suites. All are characterised by a classic style of great warmth and are equipped with the latest technology. The 4 new Presidential Suites and the spectacular new Royal Suite, situated on the top floor of the Hotel, offer a more contemporary and sophisticated style. Our guests can also enjoy the InterContinental Club, with its elegant private Lounge and exclusive services.

Lovers of good food will take delight in the specialities available in the restaurant “El Jardín del InterContinental”, which offers a carefully selected à la carte menu of Mediterranean and traditional Spanish cuisine created by our head chef, José Luque. The Café with views of the terrace garden is perfect, together with Bar 49, to enjoy salads, exquisite “tapas” and a delicious variety of Spanish wines. The terrace garden is an oasis in the heart of the city and is the ideal place for holding gastronomic encounters and special events during the summer months.

COMMITMENT TO SERVICE

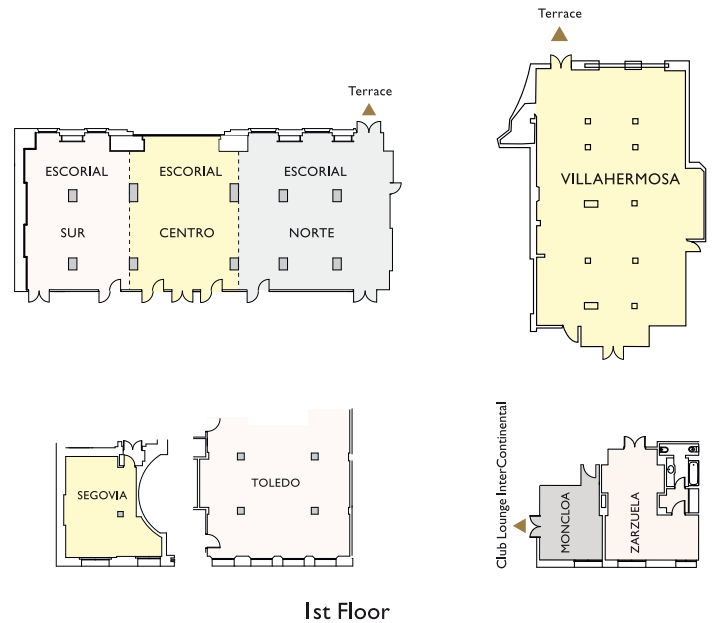

Our success lies in offering an exclusive service in environments that inspire the members of your group and connect them with their surroundings. Whatever type of event you are staging, the InterContinental Meetings team understands to perfection what the planner of an event needs in order to make it memorable and highly rewarding for the attendees.

INSIDER COLLECTION

Our Insider Collection is a range of services that planners can choose to add to any meeting or conference. Each hotel offers its own selection, which is carefully chosen and designed to inspire delegates, ensuring that each event reflects the best of its location.

INSIDER SPEAKERS

Inspirational speakers can make an event all the more successful by striking a chord with your delegates. Insider Speakers take this one step further, putting our local contacts and knowledge to good use, to recommend motivational speakers who have a personal connection to your place of stay. INSIDER INTERACTIONS

Help your delegates connect with each other with a team-building event with a difference. Using the unique character, heritage or location of your destination to inspire interaction, whether based at your hotel or at an outside venue, each experience offers an original way to engage delegates and encourage them to build effective working relationships.
