Inspired by the rich industrial past

Inntel Hotels Amsterdam Landmark is located on the Oostenburgereiland. The design of the hotel is inspired by the historical purpose of its location, the Oostenburg district. Incorporated in the 16 floors of the hotel are robust elements like concrete, metal and even a life-size yellow crane cab. The hotel theme is visible in even the smallest details of

the luxurious rooms, due to tailor-made design. Enjoy Inntel Originals and local specialties at Bar & Brasserie Werkspoor and fully relax in Spa Steam with a pool, Turkish steam bath, sauna and massage area. Luxury room types also have a private whirlpool and sauna.
