CROWNE PLAZA

# Let's go green together

We are a place where guests and team members from diverse backgrounds and beliefs come together to live, eat, meet, sleep, work, and relax. This position gives us the ideal opportunity to lead by example, demonstrating how our everyday lifestyle choices can positively influence the world around us.

## Green Words From Our Team

"ESG is very important to me, about how people feel, feel safe, how they are sustainable and what we can do for our team to make sure that they are treated as it should be and convinced if we do that for them they will do the same for the environment"

- Mathieu Van Welden, General Manager

### Mission

Have everyone feel safe, included and involved, to step by step build a more sustainable community

### Vision

Have the Crowne Plaza thrive on the market and demonstrate to the community how unique the hotel is over the next 5 years.

### Values

Dare to connect : genuine connections, heartfelt service & provide meaningful guest experiences. We want to encourage our team members to create personal and memorable interactions with guests.
