HAVE A GREEN AND PRODUCTIVE STAY

At Crowne Plaza Antwerp we recognize that sustainability is important for everyone. We make daily choices in our operation to be as sustainable as possible.

From energy-efficient lights to recycling initiatives, every detail is carefully considered to reduce our environmental footprint. With these actions we have received a Green Key ecolabel which is an international standard of excellence in the field of environmental responsibility and sustainable operation within the tourism industry.

Crowne Plaza Antwerp also holds a BREEAM certification, (Building Research Establishment Environmental Assessment Method). Which is a widely used and internationally recognized certification that evaluates a building's environmental performance and sustainability, Ensuring that it meets high standards in areas such as energy efficiency, water usage, materials, and waste management.
