

A low-angle photograph of the Fairmont Makati hotel building at dusk. The building is a tall, modern structure with a grid-like facade of windows, many of which are illuminated from within, creating a warm, golden glow. The sky is a soft mix of blue and orange. In the foreground, there is a lower section of the building with a textured, light-colored facade. The text "Fairmont MAKATI" is visible on this section. Some palm trees and other foliage are visible in front of the building.
