- 10 meeting rooms
- Modern AV equipment
- Breakout areas

Location

- 850 m to Copenhagen Central Station
- 1 km to Copenhagen City Hall Square
- 9.6 km to Copenhagen Airport

Scandic Spectrum boasts a great location in the waterfront district of Kalvebod Brygge, between the harbour and Copenhagen city centre, offering fantastic views and with the entire centre on the doorstep. The hotel is close to major approach roads and the central station, so is easily accessible by car and public transport.

The area features recreational activities both in and on the water, and the hotel is neighbour to some of Copenhagen's major sights, including the Tivoli Gardens and the Glyptotek museum. Whether you are on a business trip, attending a meeting or in the city for a mini break, you will feel instantly at home. It is a lively place, but there is also the option of enjoying some peace and quiet in the hotel's small cosy areas or on the numerous terraces, where you can work, relax or hold an informal meeting.

The hotel also offers a large restaurant area with a wide selection of dishes and with room for both small and large gatherings. There is also a coffee shop with its own roastery. On the 6th floor you will find a fine dine restaurant and a rooftop bar, where you can enjoy a drink and views of the harbour and the city.

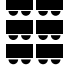

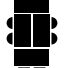

In our wellness center you can work out using the latest equipment, do a yoga or spinning class, take a swim in the 25 meter pool or simply enjoy the amenities and maybe book a treatment with one of our spa therapists.

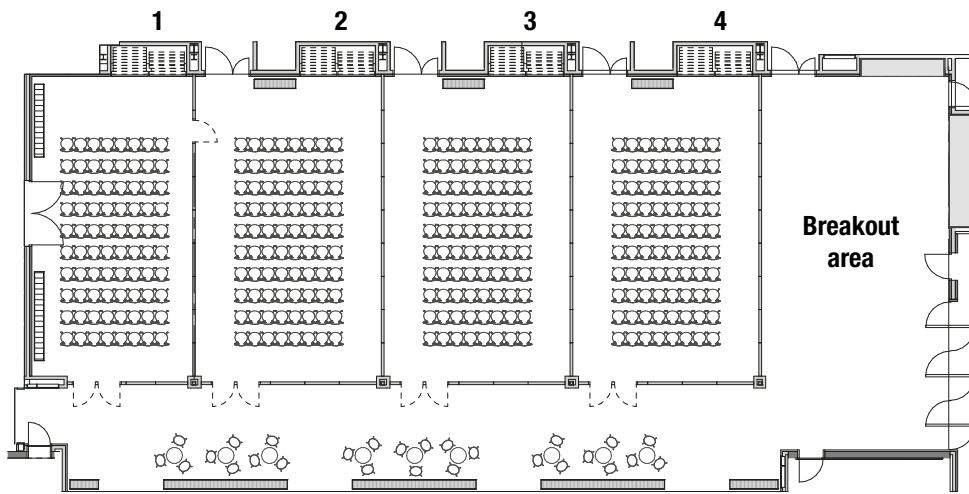

Scandic Spectrum can accommodate conferences and events with up to 500 attendees and banquets with up to 260 guests. The ground floor houses a flexible event area, which can be divided into 4 rooms or opened up to form a single large area.

On the 6th floor, there are 10 unique rooms of various sizes. Many offer harbour views and there is access to a number of outdoor terraces. Outside the rooms, there are bright, creative breakout areas with comfy seating areas, perfect for small meetings or group work.
