

EXPERIENCES FOR YOUR *EVENTS*

⌘ LA ZAMBRA

Our values

Andalusian Escape

We are distinctly Andalusian.

For some of our guests, La Zambra may be their first experience of Andalusia. Help them fall in love with it – make sure it's not their last.

Relaxed Luxury

Let people be free to explore.

Be attentive to peoples' needs, but never get in their way. Let people be free to explore. Create an easy environment in which to pull back or push boundaries.

Iconic Connections

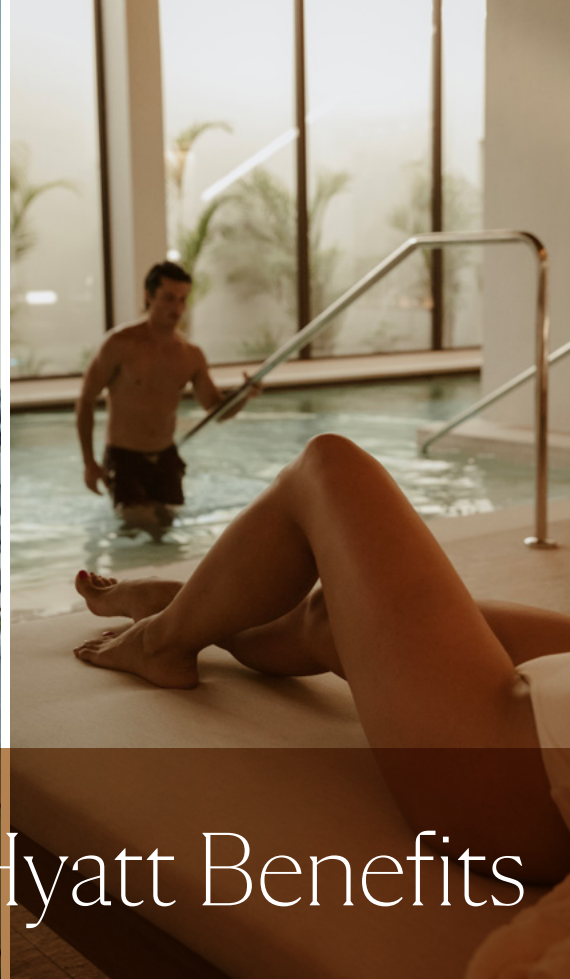

Where memories meet legends.

Proudly share our most famous stories and actively encourage people to create their own.

Rewarded Curiosity

Encourage a little secrecy.

Start some playful rumours among the guests... but if anyone asks you about a hidden treat, always tell it to them straight. Reward their curiosity.
