

LA ZAMBRA

The freedom of being and doing what your heart tells you to

In the depths of the Andalusian hills, in Mijas close to Marbella in the Costa del Sol, lies La Zambra. An iconic hideaway, a luxurious Andalusian escape. A five-star hotel where every moment is celebrated and elevated, where we instil the same spirit of the flamenco dance the hotel is named after. A spirit which encourages you to be whoever you want to be or to simply be yourself. La Zambra is a resort that awakens all the senses, a hideaway meant for discovery.
