CHAMPIONSHIP 
EVIAN RESORT - FRANCE

"It's a great course, pretty complicated. You really need to keep the ball on the fairway. The rough is pretty thick. The greens play fast, some of the putts can be really tricky. You have to think about a lot of things, but that's what makes it a great course."

HOLE 2

"This is a severely downhill par 3. It is extremely hard to gauge the distance and strength of the wind. Choosing the right club becomes a real challenge. The green slopes downwards with the upper tier to the right and the lower tier to the left. It is advisable to play past the pin and finish with an uphill putt, which is easier."

So Yeon **Ryu**

HOLE 5

"A par 3 with a green guarded by water to the front and right. You must make sure you use a club with enough distance to get past the water hazard and aim for the left side of the green."

HOLE 7

“The key thing on this hole is to play a smart approach to the green. Sometimes, depending on the conditions, you can reach the green in 2, but watch out for the bunkers.

You must make sure you can play over the bunkers if you go for this option.

Otherwise, you can play safe on this par 5 in 3 shots, laying your second shot up short of the bunkers, which generally leaves a short iron or even a wedge.”

Stacy Lewis

HOLE 14

*"This is a really long par 3.
I even used a 3-wood during training!
There is a lot of wind on this hole,
so club selection is critical.
You mustn't push your luck.
You need to aim for the middle of the green
because par is easy from here."*

2009 & 2011

HOLE 16

*"Hole 16 is a cute little par 3
that's not so cute when the wind gets up!
From a fan's perspective, it looks much shorter
and easier than it plays.*

*I've hit it with a 6-iron to the front pin,
8, 9 irons if the wind's behind me.*

*The tee's a little bit more elevated than
the greens so we hit down towards the green,
but I think the best pin and normally
the final day pin is in the bowl on the left side
of the green. I've seen a hole-in-one there,
Mika Miyazato used the slope perfectly
to her right and fit it in."*

HOLE 18

"Normally on 18 the tee is at the back, but when we played the final two rounds in 2015. I think they put the tee a little forward so it made the hole a little shorter, but it's not shorter in the rain.

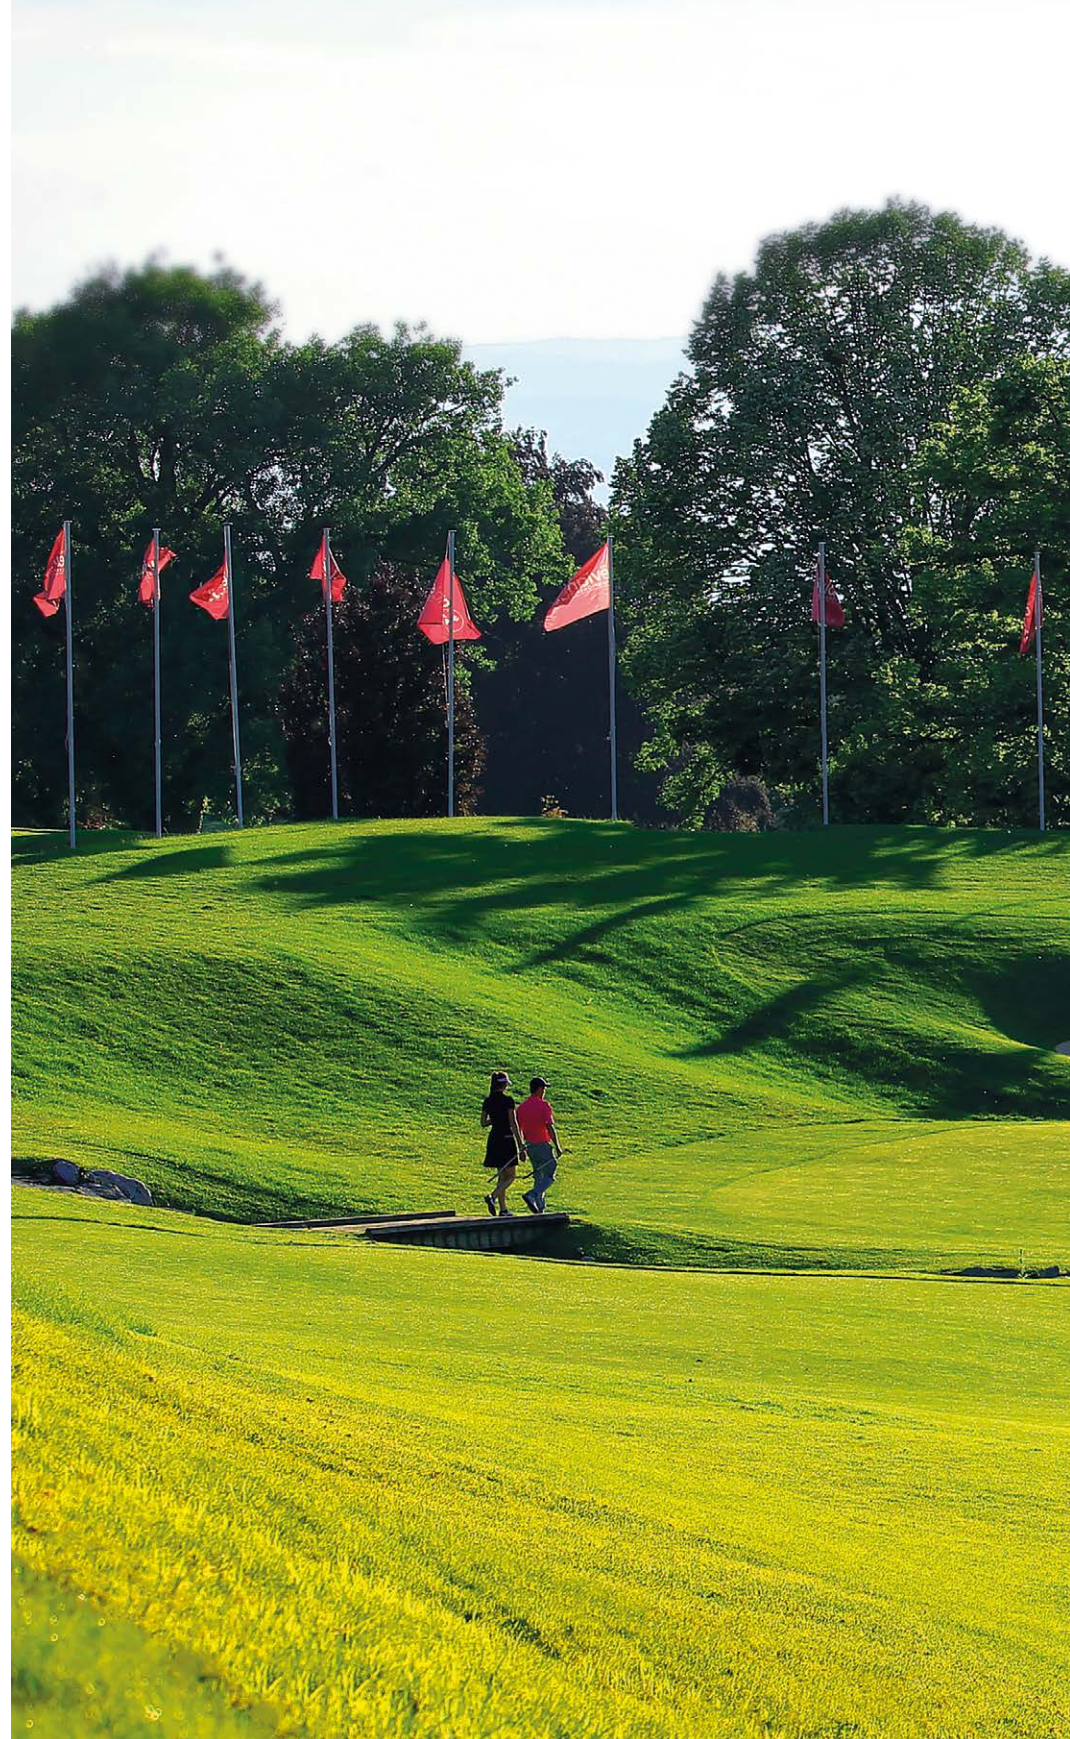

I actually bogeyed it the first three days. And then it was my first time birdying it with a good tee shot.

It's a two-tiered green and I think it's the final day location on the top tier. I had a good 7-iron, I hit it perfect."

THE ACADEMY

THE EVIAN RESORT GOLF CLUB ACADEMY WAS DESIGNED
BY A TEAM OF SPECIALISTS (DESIGNERS, PLAYERS,
CHAMPIONS AND PROS) TO QUITE SIMPLY REINVENT
THE WAY TO PLAY GOLF.

A UNIQUE TRAINING CENTRE

All the subtleties of a golf course and every possible experience that it can bring are packed into 7 modules and 4 course holes located in an incredible natural 37-acre site between the lake and mountains. This unique place devoted to golf is the only one of its kind at which to train, improve one's game or just have fun.

TAILORED TUITION

Each player receives bespoke golf instruction in a place specifically designed for working on drills, all golf shots, whilst varying distance and direction and with or without obstacles. The result is significant, tangible and measurable progress. Whatever one's age or ability, whether playing alone, with family or accompanied by a pro and whatever time is available, the Academy makes playing golf fun in a friendly atmosphere. This unique concept provides roughs, fairways, sloping and flat terrain with 11 grass modules de-

signed to the same dimensions and for all the shots encountered on a championship course. 7 training modules reproduce all the situations found on a real course so that golfers can work on improving one specific golf shot by re-producing the movement as many times as required. 4 course holes offer 3 levels of difficulty enabling all golfers, from beginners through to experienced players, to rapidly put their progress to the test in a real-game situation.

EQUIPMENT

Golfers have access to the latest generation (2-piece) balls and can try out the most recent clubs. A grip replacement service as well as club maintenance and repair is available all year.

LE MANOIR

Discover Le Manoir, an early 19th-century property located right at the heart of the Academy and the ideal retreat for all golfers.

The Manoir de Noverly, built in 1911, has retained the soul and elegance of homes from bygone times. The refurbishment of the building has conserved its authentic nature and the seven guest rooms are imbued with a cosy, totally golf-inspired atmosphere.

The Manoir du Golf is not a hotel, but guests nevertheless enjoy use of all the facilities at the Evian Resort (conditions apply) while indulging in their passion for golf from dawn until dusk.

LE CHALET DU GOLF

Following a round of 18 holes on one of the most beautiful courses in Europe or after a training session, treat yourself to a break at the Chalet du Golf. Enjoy the Clubhouse's sunny terrace, right at the heart of the course, just a stone's throw from the 18th green with uninterrupted views of the mountains.

The Chalet du Golf has been totally refurbished and offers a stylish, contemporary atmosphere. The décor is a blend of fine materials such as wood and stone with chic hues and furnishings that give it the cosy feel of an Anglo-Saxon clubhouse.

As and when you want throughout the day, the Chalet du Golf serves dishes to be shared with friends over an aperitif, innovative slate platters along with new snack options including paninis and open sandwiches.

Our staff offer a warm welcome along with dining options that vary with the seasons and available produce. A delight for all golfers.
