VISITORS INFORMATION

- **Language information:** Portuguese
- **Currency:** Euro (EUR)
- **Climate:** Mediterranean.
The climate in Portugal varies significantly from region to region, and is influenced by relief, latitude and proximity to the sea, which provides mild winters. In the areas of Porto and North and Centre, especially in the areas closer to Spain, winters are colder, despite the temperatures being moderate compared to the rest of Europe. Summers are hot and dry, especially in the interior and on the coast, the heat is moderated by the maritime influence.

RESTAURANTS & BARS

- **WISEVERSA All day dining** — this Modern Grand Café style of restaurant features high ceilings, ample spaces, soft tones, and elegant furniture. Offering dishes and beverages from all over the world. The restaurant also has an impressive outdoor terrace with beautiful views of the iconic 25th of April Bridge.
- **WISEVERSA Bar** — located in heart of the hotel, this fresh and thoughtful majestic raw wood bar transitions from a barista style in the morning into a live upbeat modern pub serving craft beers, wines, and crafted cocktails along with bar bites into the night.
- **UMAN** — indulge and discover in our WINE & DINE experience, elevated and chef-driven, featuring an impressive modern open kitchen, showcasing elements like water & fire in a dimmed, clean, modern room. Serving creative sharable food paired with a wide variety of wines from all around the world.
Take a seat at the Chef’s table and emerge on a culinary journey interacting with our chefs who will cook a special meal according to your likes and seasonality.
The outdoor seating with a pleasant river view reflects the comfortable and elegant atmosphere of the main room.
