NH COLLECTION
FRANKFURT SPIN TOWER

Location

Located in the heart of Frankfurt am Main, at the intersection of the trade fair centre, Bankenviertel business district and Europaviertel district, the NH Collection Frankfurt Spin Tower impresses with unique architecture and a breathtaking view over the city. Its central location – combined with urban design and exclusive comfort – provides the perfect place to work, relax and live life to the fullest.

The striking high-rise building with its fresh architectural ‘spin’ stands out thanks to its hotel rooms that are bathed in light and a special eye-catching feature: in the imposing, 11-metre-high lobby, the Grand Staircase – a large set of stairs with elegant seating – is the perfect place to get some work done or just spend some quality time, and provides a stylish setting for short business meetings. Our hotel is committed to sustainability and has been awarded ISO 14001 and Bioscore certification.

The central station and offices of leading companies including Microsoft, Reuters and PwC are within easy walking distance. The Skyline Plaza shopping centre with over 120 shops, Frankfurt’s largest roof garden and the Meridian Spa is right next door.
