27 holes Golf Course (3 nine holes courses).

Blue Course: Holes 1st to 9th. Possibly the most technical and hilliest course of the three where control has primacy over long hitters.

Yellow Course: Holes 10th to 18th. Enjoyable course that is particular because it has 3 par three, 3 par four and 3 par five. Intermediate difficulty with beautiful sea views.

Driving Range: Consisting of 2 natural grass zones with a maximum distance of 200 meters, a Putting Green with 12 holes, a Chipping Green with 10 targets/flags and three bunkers and a reserved place for the academy with artificial grass. A small Putting Green in front of the Club House can be used for quick warm up before starting the game.
