Banquet: seating arrangement for festive occasions; it is recommended to place eight to ten persons per table.

Square: can be a large table in the middle of the conference room, e.g. for board meetings of ten to twelve participants or as a variant with several small blocks.

Cocktail: for a casual get-together before the event.

Theatre: especially suitable for lectures and training sessions if taking notes is not necessary.

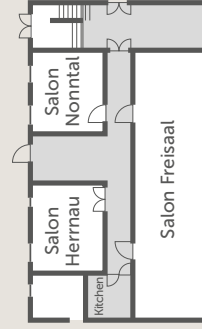

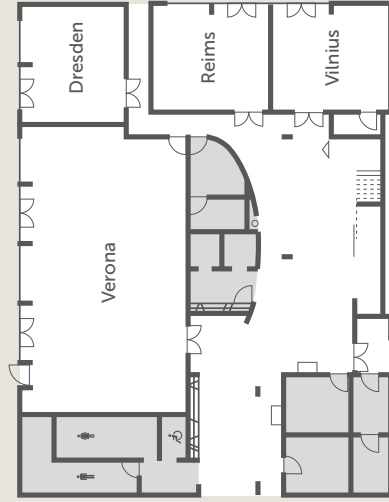

Classroom: ideal for workshops and training events, participants can take notes with a view of the screen.

U-shape: suitable for discussion rounds, as the participants can all see each other and the speaker has direct access to everyone in the middle of the group.

ROOM LAYOUTS

Set against a serene mountain backdrop not far from the bustling old town of Salzburg, the ARCOTEL Castellani offers an especially laid-back setting for meetings and other functions. You choose, we deliver – the individuality of your event is our top priority.

VERONA

With 180 m² of space, our largest event room can accommodate up to 170 persons. Equipped with state-of-the-art technology, including the Click Share wireless presentation system, digital projector, WiFi and individually adjustable air conditioning, the light-flooded room with direct access to the outside is ideal for events of all kinds.

DRESDEN AND VILNIUS

With their bright and friendly atmosphere, our seminar rooms Dresden and Vilnius, each with 50 m² of space, are popular venues for events with up to 35 people. Each room is appointed with a 75" display, WiFi and individually adjustable air conditioning plus direct access to the outside.

REIMS

The Reims seminar room can also accommodate up to 35 guests on its 50 m² of space. Maximum seminar conveniences are offered with a 75" display, WiFi and individually adjustable air conditioning. Direct access to the outside is provided as well.

ALTE PFARREI

Located in a historically listed building, with views of the outdoors, the Old Priority is ideal for exclusive meetings on a small scale or as a break-out room. The 40 m² room has enough space for up to 20 people away from the rest of the hotel. Maximum seminar conveniences are offered with a 75" display, WiFi and individually adjustable air conditioning.

SALIERI – THE RESTAURANT

The Salieri Restaurant will teach you the meaning of Salzburg hospitality. Our chef de cuisine loves to prepare Austrian dishes with a Mediterranean touch using fresh herbs from the garden. The result: light meals, full of contrasts and simply delicious. A popular highlight is our weekly changing tasting menu offering a journey through the Salieri cuisine. A must for anyone looking for new taste adventures, best accompanied by fine wines from Austria or Italy from our well-stocked wine cellar.

RESTAURANT ESCHENBACH

With its three light-flooded salons and space for up to 150 people, our restaurant Eschenbach is a stylish location for events such as corporate parties, weddings, press conferences or product presentations. At lunchtime the rooms are available exclusively for lunch breaks – with extra space on the spacious terrace, weather permitting.

SALIERI – THE BAR

Happiness is a glass of fine wine. Raise the glasses high! The Salieri Bar is a popular meeting place for casual get-togethers and evening socials. And the garden terrace! The right place for enjoying a martini outdoors in the summer.

TERRACE

Weather permitting, our two terraces in the hotel park offer guests a relaxing escape in the open air, surrounded by the green of nature and a 400-year-old lime tree. The perfect setting for standing cocktail parties, barbecue evenings or punch receptions in the winter.

Make yourself at home with us. A friendly interior design combined with luxurious materials turns our rooms and suites into your home base.

SUPERIOR ROOMS

These double rooms are located in the modern hotel tract, directly connected to the main house via a glass corridor. The interiors feature lots of local apple wood, leather and chrome.

DELUXE ROOMS

Mansion-style rooms for today's lifestyle. The orderly décor adds a cosy touch. The furnishings are kept in beige and berry tones, with a king-size bed and an inviting seating area with designer chairs.

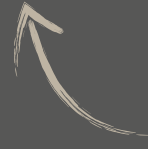

JUNIOR SUITE

Stylishly furnished, decorated in muted colours. The small terrace offers wide views of the Salzburg mountains and the beautiful chapel courtyard. The separate living and sleeping area with king-size bed creates space for family togetherness.

LANDHAUS SUITE

The 27 m² suite provides a soothing view of the hotel gardens and features a king-size bed plus a separate living and sleeping area on two levels. Do you like your mattress soft or hard? Let us know what you want.

UAV

Unmanned Aerial Vehicle better known as drones, are a popular highlight at incentive events

What do soap box racers and drones have in common? They're both part of the fun at ARCOTEL Castellani. Where boredom is a foreign word...

DRONE WORKSHOP, XXL TABLE SOCCER & MORE

Our garden gives you all the space you need to organise your outdoor programme directly on site. Create lasting experiences and team emotions with entertaining supporting activities such as XXL table soccer, a drone workshop, Segway course and more.

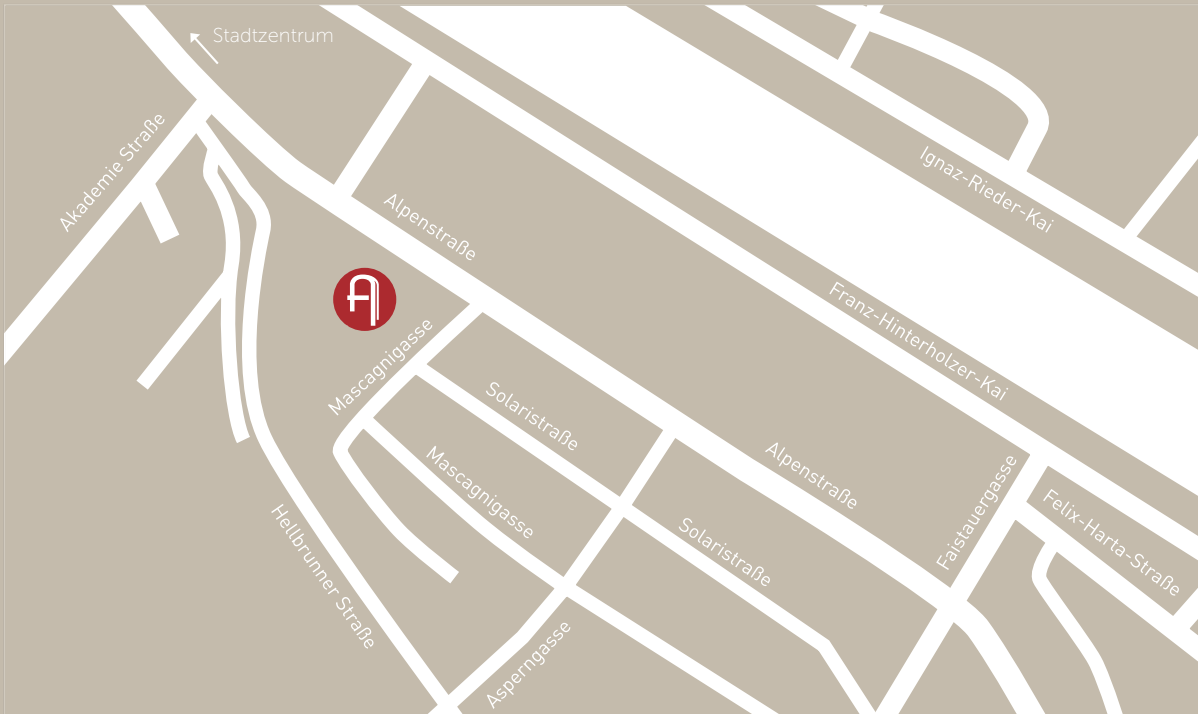

For incentive requests, we will gladly pass on the contact of one of our external partners!

We look forward to your visit!
