

WELCOME

Grand Hotel Vilnius is located in the heart of Vilnius' Old Town and is a stone's throw away from the Cathedral Square, Presidential Palace, tourist attractions and significant historical landmarks.

The building has always been monumental. It was amongst the first hospitality establishments in the country, later serving as a telegraph station and State Treasury.

The property was once known as Hotel New York and Ermitage, and was the epicenter of 19th-century Vilnius society-life.
