PEOPLE TECHNOLOGY SOLUTION

Special Effects has been present in the global events market for 40 years, providing creative design, state-of-the-art AV technology and comprehensive project management services.

Whether it's boutique or large-scale events, conferences or unique exhibitions, our main effort is to constantly rethink, improve and develop solutions that enable customers to conduct their events in a more efficient, exciting, safe and sustainable way.

OUR DIVISIONS

HIGHLIGHTS

- Special Effects International has been the preferred and contracted **in-house AV supplier** since 2013
- Special Effects has been providing audiovisual services in five star hotels for **30 years**
- Dedicated in-house AV technicians with **24/7 AV support** are available in the hotel
- Own AV equipment park is available on the spot
- Our central warehouse is located **30 minutes away** – in case of any last minute requests
- **250 + smaller and larger events** are conducted yearly with various AV needs
- Corinthia Budapest has one of the largest conference capacity amongst **5-star hotels in Budapest**

HIGHLIGHTS

- Corinthia Budapest has **large storage** capacities
Easy-to-access conference floor and parking
- Many high-voltage power outlets are available on the conference floor
- There are built-in **rigging points** in the historical Ballroom along with separated area for **AV control desk**
- Capability to exhibit automobiles on the conference floor
