Lovely modern hotel, great breakfast, very **friendly staff**, helpful staff, close to **public transportation**, including subway and bus. I would recommend it and would stay here again.

Everything can be arranged by the hotel, although I didn't book transfers because the agency already did it, I wouldn't hesitate to do it in the future.

I would **highly recommend** this hotel as the accommodation is great and **comfortable** and the **location is very convenient**.

Very **good treatment** by the employees, you feel quite **comfortable** and that is very important.
