Enjoy breakfast, lunch or dinner in front of the beautiful nature that surrounds Torre Melina.

Amaranta can be a woman's name, a flower or a color similar to dark red or maroon. It means "she who will not wither", which leads us to a floral and garden concept that connects it with the space occupied by the restaurant.

A place reserved for only a few, where you can enjoy a luxurious menu influenced by the Mediterranean and bathed by the most exclusive products and ingredients.

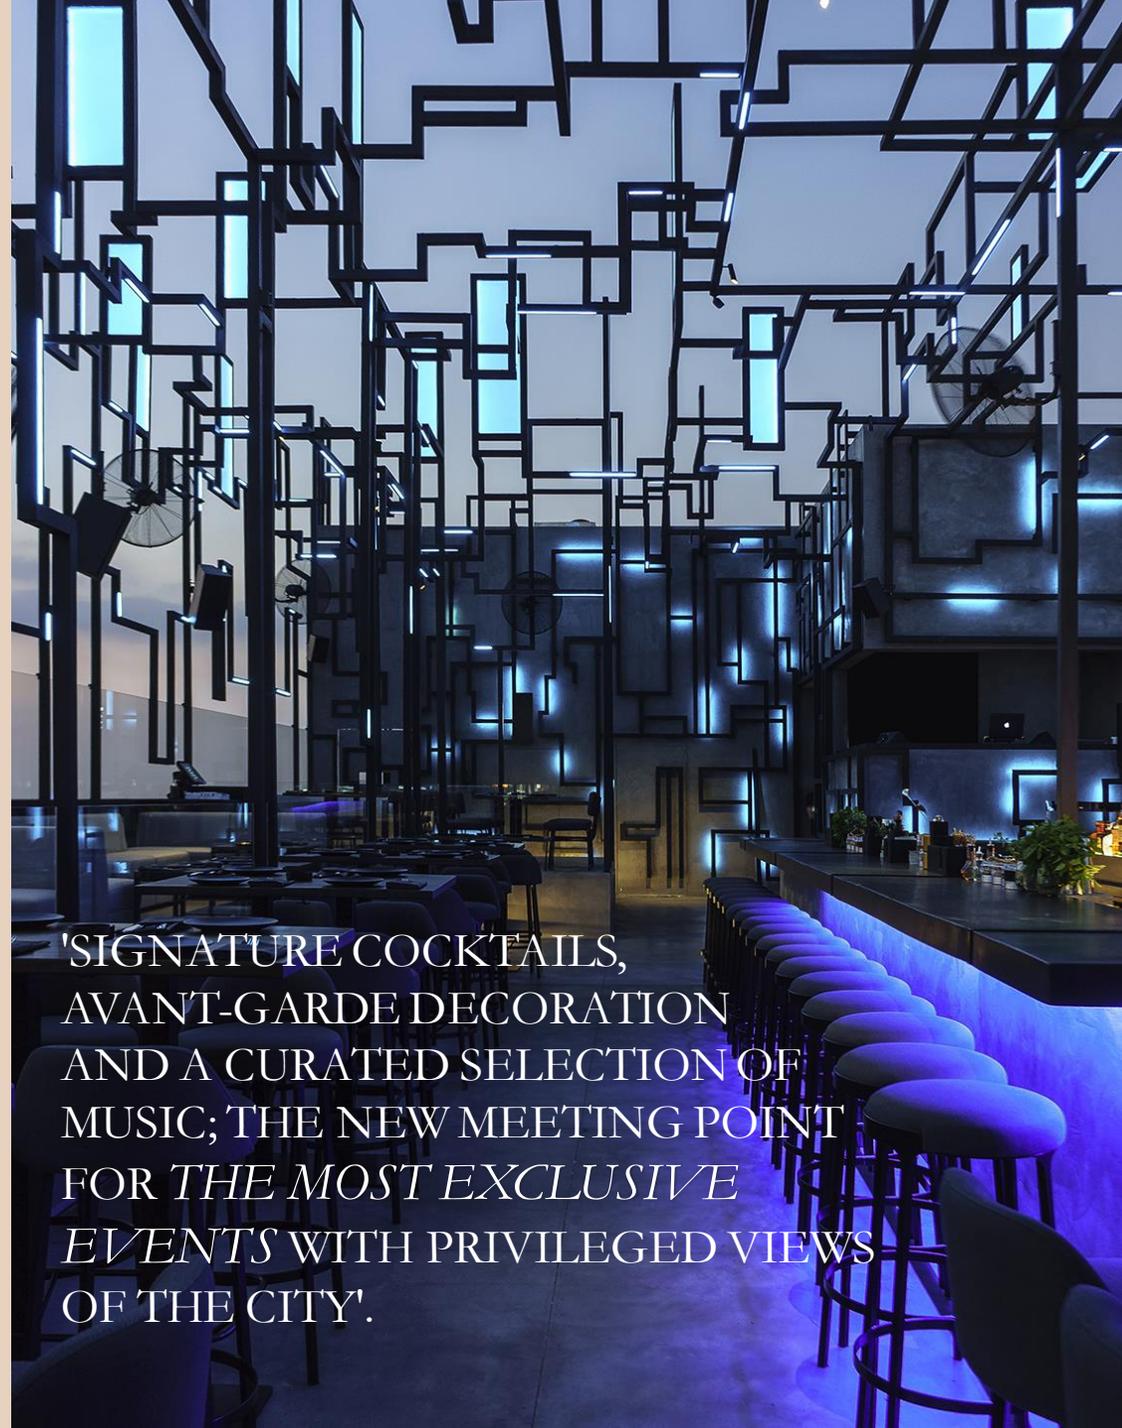

Where you can enjoy a great celebration or an intimate party while listening to Mediterranean-inspired music mixed with the most contemporary lounge sound.

A place where the simplest things can become a work of art.

ROOFTOP

The top floor of Torre Melina will become the Rooftop of reference in Barcelona to celebrate private events.

'SIGNATURE COCKTAILS, AVANT-GARDE DECORATION AND A CURATED SELECTION OF MUSIC; THE NEW MEETING POINT FOR THE MOST EXCLUSIVE EVENTS WITH PRIVILEGED VIEWS OF THE CITY'.

Gardens

In the bustle of the majestic city of Barcelona, being surrounded by nature, silence and tranquility can become the closest idea of paradise on earth.

Gardens and lush green areas designed by **Josep Fontserè i Mestre**, and inspired by the large romantic gardens of the 19th century, make up an **idyllic place to disconnect in the noble neighborhood of Pedralbes**.

Among the gardens, there is a modernist farmhouse, **Torre Melina**, which helps us evoke the Barcelona of the beginning of the 20th century: a cosmopolitan and vibrant city that inspired travelers, writers and great artists.
