VIDEO MAPPING

The Hôtel Martinez has equipped itself with a “360 MAPPING” visual system for its grand Ballroom LE FESTIVAL. A catalogue of 20 digital sequences invites you to immerse yourself in a spectacular setting for an exceptional moment, in tribute to the iconic ‘Martinez’, as a homage to the 7th Art, or with original visual creations - graphic, architectural, cosmic...

This in-house experience is unique in Europe, offering a poetic and visual experience for the events taking place there.

Available as a full theatre or in two spaces separated by an acoustic partition, "360 MAPPING" can be adapted to the three configurations of the ballroom LE FESTIVAL

VIDEO MAPPING

- An equipment comprising 29 4K video projectors and 1 server with 30 4K streams.
- A choice of 20 digital sequences, each lasting 6 minutes.
- A personalisation or bespoke creation (1 month lead time and additional charge).
