The Florian
Everyone's inn

I was born from a desire to create spaces where every corner tells a story.

Coming from a family deeply rooted in hospitality, I am proud to say that I was born during the challenging times of the COVID era. But with the unwavering commitment of my incredible team, known fondly as "Florians", we have turned adversity into opportunity.

I am a young lifestyle brand, the perfect balance of work and play, the bridge between inspiration and action, built on the ethos of connectivity. I believe in fostering environments where people can connect, work and, most importantly, have fun.

Sustainability is at the core of everything I do. From my Dutch designs and high quality materials to my eco-friendly practices, I strive to minimize our environmental footprint while maximizing the guest experience.

I am your home away from home.
