REDEFINING TRADITIONAL HOSPITALITY

YOTEL provides its independent, travel savvy guests with everything they need and nothing they don't.

YOTEL uses cutting edge design and construction techniques to build hotels with small but perfectly-formed rooms for people who appreciate quality but don't need the fuss of a traditional luxury hotel. Without the unnecessary extras, guests enjoy tasteful rooms in sought-after city centre locations at affordable prices.

WHY YOTEL?

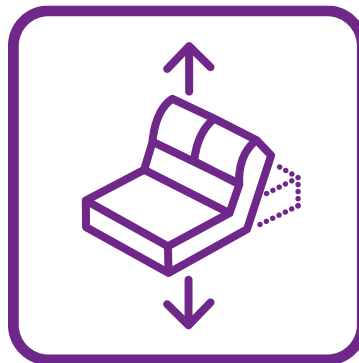

EXTRAORDINARY VALUE

Our compact rooms have been cleverly designed to maximise space and save you money.

SOUGHT-AFTER GLOBAL LOCATIONS

You'll find YOTEL in major world cities and international airports – smart, convenient locations that save you on travelling times.

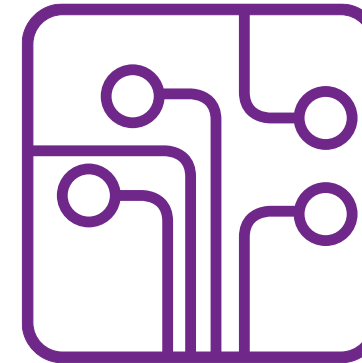

INNOVATIVE FLEXIBLE DESIGN

YOTEL focuses on everything you need and nothing you don't to deliver a seamless journey from booking to departure.

SENSE OF COMMUNITY

Inspiring public spaces where guests can eat and drink, work, rest and play.

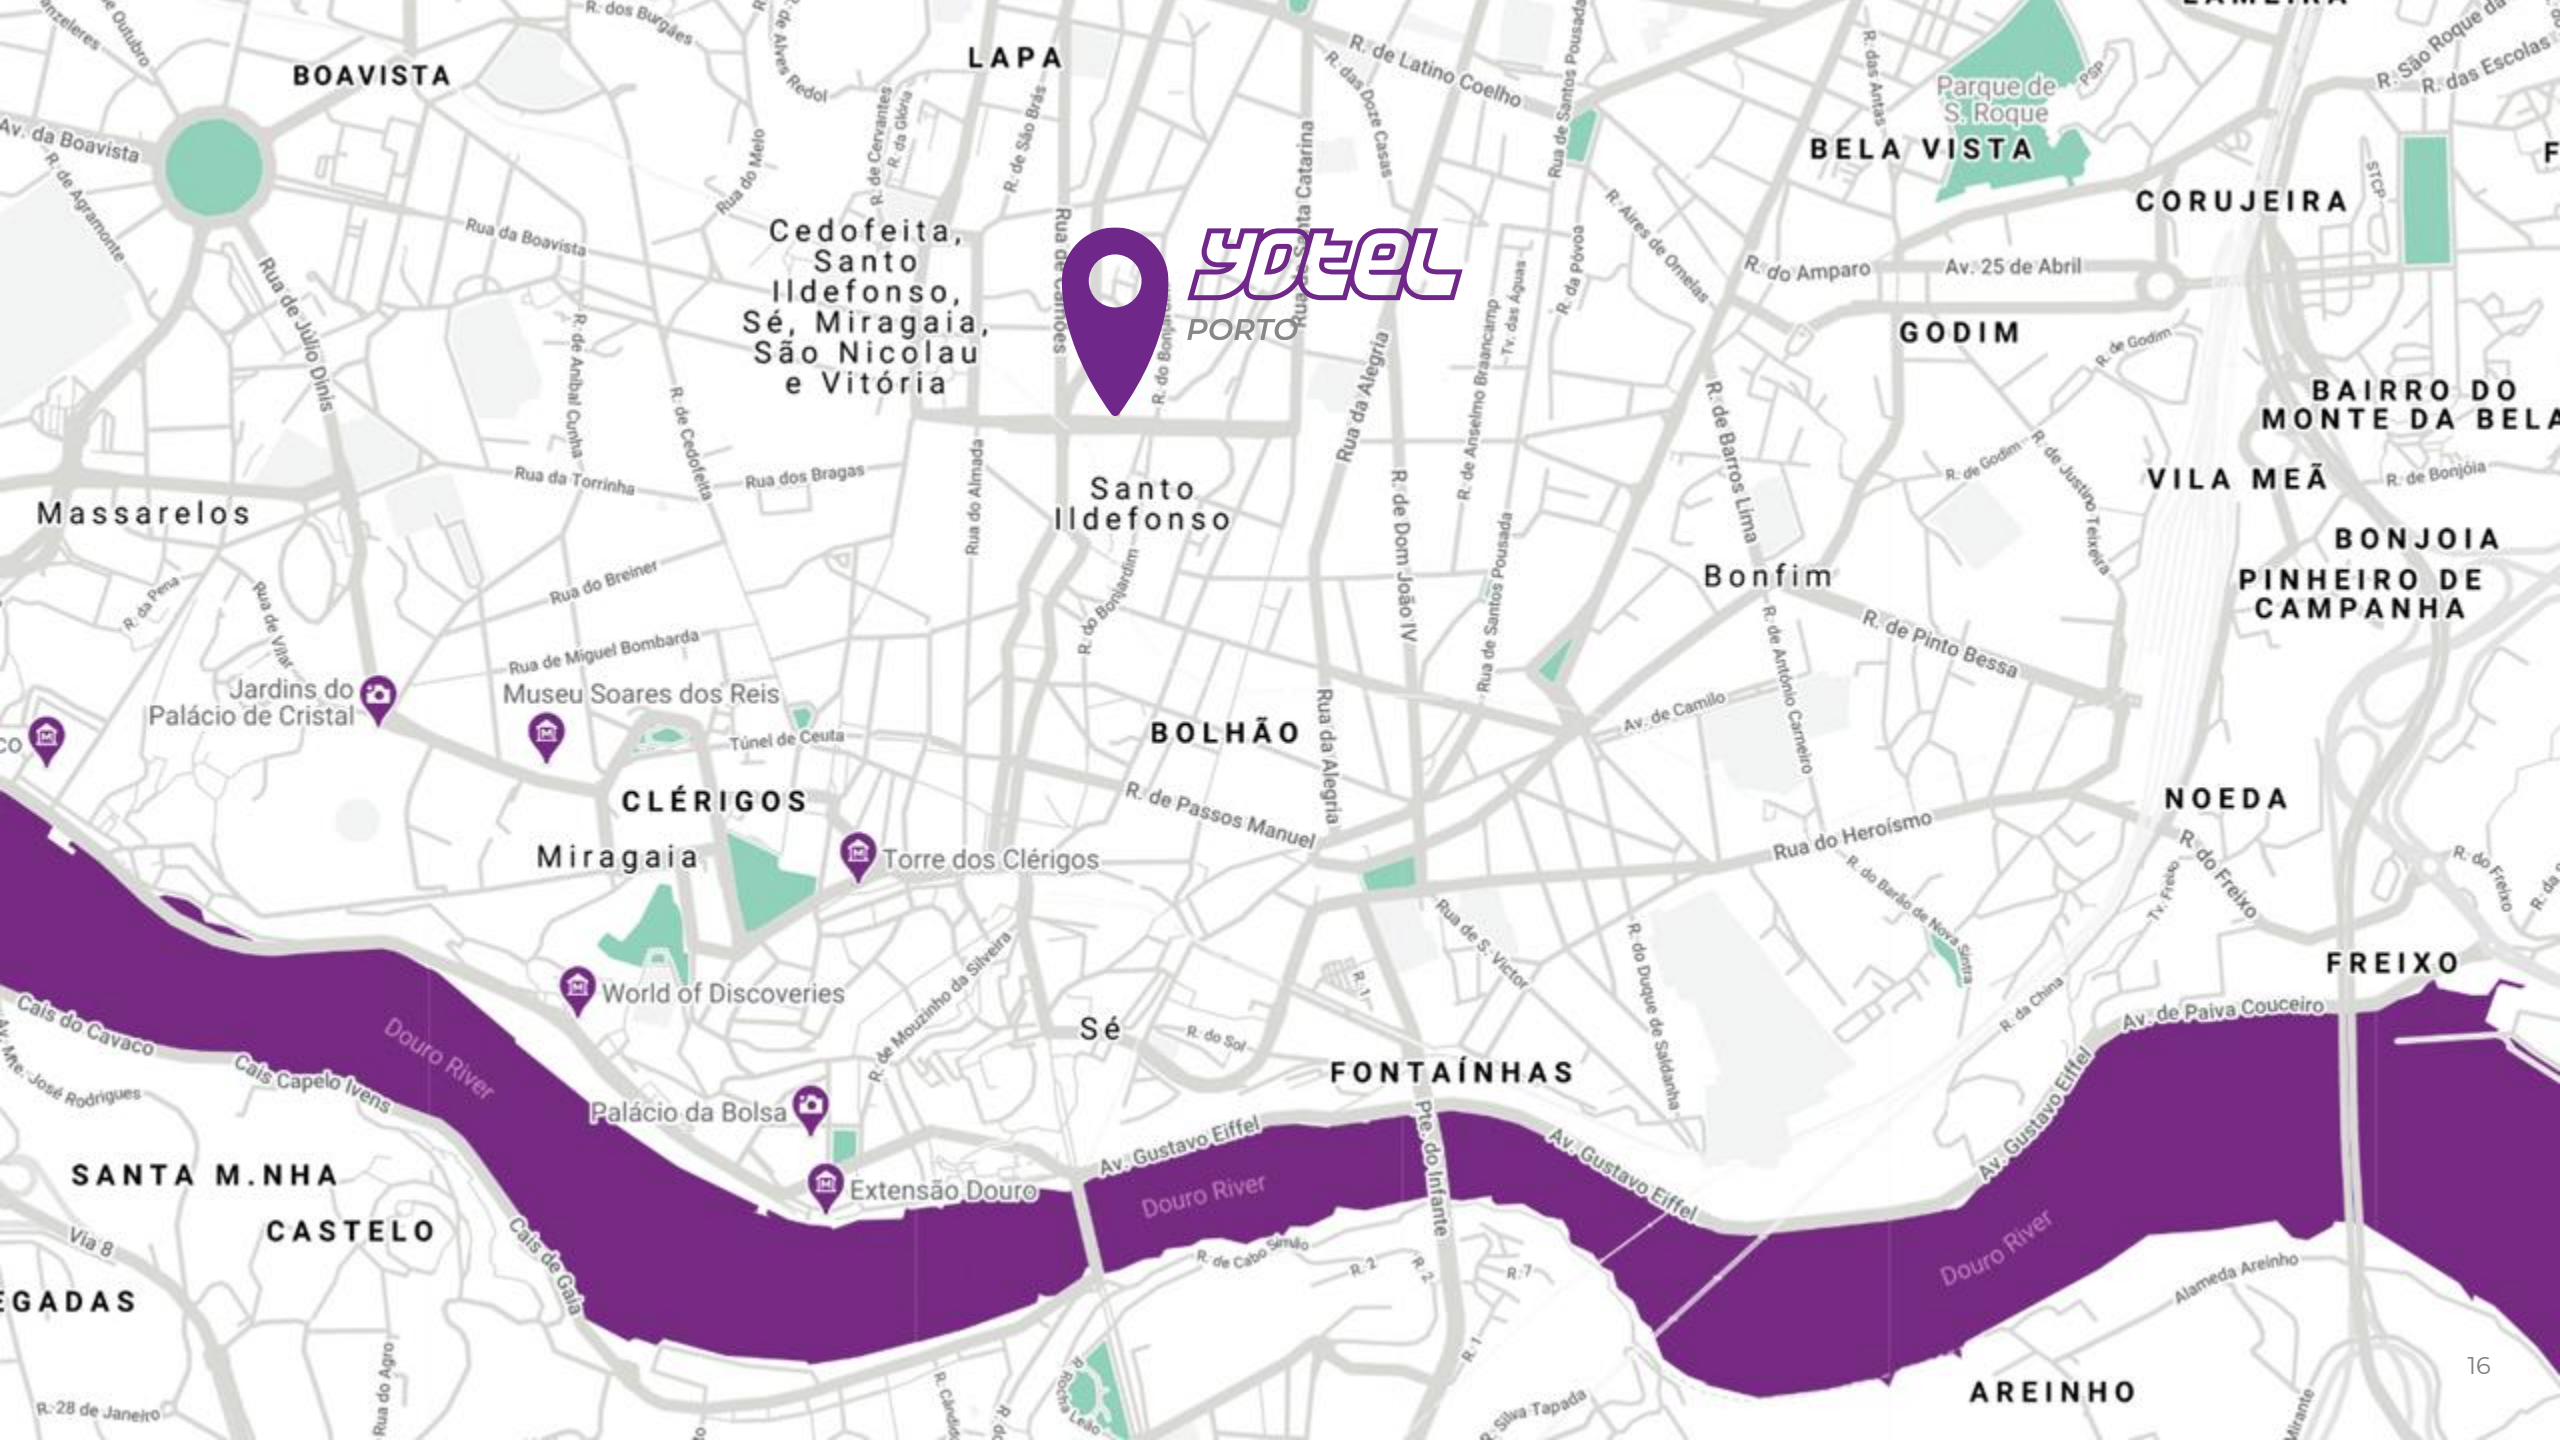

SMART TECHNOLOGY

Airline-style check-in kiosks, our unique SmartBed™ and fast-free WiFi place the guest at the heart of YOTEL.

HOTEL SMARTER

Opened in May 2021, the first YOTEL in the Iberian Peninsula, will be conveniently located in the heart of the traditional centre.

The hotel has 150 rooms, self-service kiosks to save you time and ergonomically designed rooms to maximize space.

GUEST SERVICES

Free super-fast WiFi

Self-service kiosk or app check-in / out

24/7 fully equipped gym

24/7 Mission Control

Komyuniti to eat, drink, work, rest and recharge

OUR ROOMS

We use clever new design and construction techniques to build hotels with compact but perfectly-formed rooms for those who appreciate quality but don't always need the fuss of a traditional luxury hotel.

ROOM FEATURES

Queen size adjustable SmartBed™ (select rooms) with cool action gel memory foam mattress

Superfast free WiFi and HD Smart TV with casting

Work desk, electronic laptop-size safe, hairdryer, iron and ironing board

Rain shower

Urban Skincare shampoo, conditioner, body wash and lotion

MISSION CONTROL

Available 24/7, this one-stop service area caters to your every need, from emergency supplies and toiletries to extra keys and towels.

In addition to airline-inspired self-check-in kiosks, the Mission Control also offers concierge service, airport transfers and luggage storage.

KOMYUNITI

Our multi-purpose social space is as flexible as life in the digital age. Catch up on emails or meet up with colleagues; grab a bite to eat or while away an evening with friends.

Think of it as easy-come, easygo hospitality, with charging points and free WiFi, fun, fresh, playlists, affordable food and drinks and an outdoor area.

*Open to everyone including hotel guests, neighbours, and passers-by

EVENTS

We have two meeting rooms on floor 0 (each one of them with approx. 40 sqm) that can be booked for up to 30 people theatre style.

The event space on the 9th floor, with an outdoor terrace and panoramic city views, is perfect for private events, such as product launches, presentations or cocktails, for up to 80 participants.

Hub 1 – 16 people
Hub 2 – 25 people
Rooftop – 80 people

GYM

Our modern gym is open 24/7. Located on the ground floor of the hotel, the space is kitted out with the latest Technogym equipment

- Stretching/yoga mats
- Elliptical cross-trainers
- Weightlifting bench
- Rowing machines
- Upright bikes
- Dumbbells
- Treadmills

ROOM SERVICE

Need an extra towel or a bottle of water delivered to your room? Our friendly guest service robots will deliver them straight to you!

The robots move around seamlessly and can even take the lift and call your room upon arrival at the door.
