RESTAURANTS & BARS

Fouquet's New York is located on the hotel's ground floor and cloaked in the immediately recognizable red and black color palette, the signature restaurant is a reimagining of the original Fouquet's Paris inflected with New York City joie de vivre.

Tucked between Fouquet's and the guest reception is the Tirsou Bar. It was inspired by Bar Marta, the famed speakeasy at Hotel Barrière Fouquet's Paris.

Par Ici Café, the hotel's vegetable-focused café, has a menu honoring the Slow Food approach, highlighting fresh seasonal and organic ingredients sourced from fair-trade cooperatives, farms and small producers.

Le Vaux is a sprawling rooftop space inspired by the French gardens of Vaux-Le-Vicomte and Versailles. Designed by Martin Brudnizki, Le Vaux continues the property's signature Art-Deco aesthetic with an unmistakably French palette of lavender-green hues and furnishings, instantly transporting guests to a Parisian garden. Le Vaux is for the enjoyment of hotel guests and members only. Le Vaux is a seasonal destination open from May to September.
