A NEW WAY TO STAY

PURO hotels in Poland are an eclectic, vibrant and sophisticated experience. A community that welcomes you with warmth, customized service and insider knowledge. A creative spirit that infuses each choice of art and design. A central location to rest your head and a social, cultural hub to call home.

Unique, a little bit quirky, and imbued with a true sense of place. PURO hotels are a refined yet relaxed experience that bring together the culture and creativity of each city to create a stay that's about more than just sleep.

EXPLORE KRAKÓW KAZIMIERZ

A city with a thousand year history, Kraków is brimming with works of art, historical memorabilia, and monuments representing practically every architectural style – from Medieval to contemporary.

PURO Krakow Kazimierz stands next to the Vistula River and right in the middle of the Kazimierz district. Popular for its infamous Vistula boulevards, locals enjoy relaxing, strolling, exercising, and taking in cultural events in this area. While the leafy district of Podgórze, known for its cafes, ice cream parlours and restaurants, lies just across the river
