

LA VERANDA

A bright hall of over 500 square metres, designed by the Italian architecture firm Caberlon-Caroppi, featuring a modern open-plan kitchen with a strong visual impact. The show kitchen allows guests to enjoy an immersive experience in direct contact with the chefs.

With its 20 linear metres of open kitchen and an additional 10 linear metres of buffet area in the central part of the hall, La Veranda is perfectly suited for **buffet service for up to 280 guests**. It is also ideal for **seated lunches and dinners for up to 280 guests**, with a layout fully

aligned with the overall interior design project.

Capacity	
Served Event	280 guests
Seated Buffet Event	280 guests

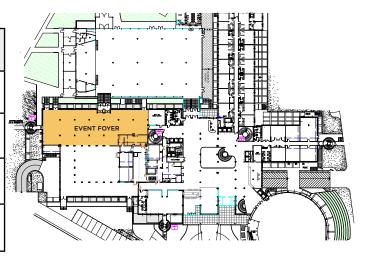

EVENT FOYER

A highly functional and bright space of over 500 square metres. Thanks to its versatile and dynamic layout, it is ideal for exhibitions, aperitifs, and coffee breaks. It is also well-suited for buffet-style or served lunches and dinners.

Capacity	
Served Event	300 guests
Seated Buffet Event	250 guests
Standing Buffet Event	300 guests
Standing Aperitifs & Cocktails	300 guests

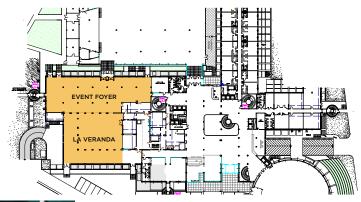

LA VERANDA + FOYER

The combination of these two areas creates an exceptionally bright space of over 1,000 sqm, ideal for catering events of up to 570 guests. To make the most of this setting, our "winning" formula is a spectacular buffet designed to impress—thanks to the show kitchen—offering a mixed experience: seated dining in La Veranda, featuring custom-designed uncovered tables by the architecture studio, and a standing format in the Event Foyer, equipped with high-top tables. The Foyer, in particular, is the perfect spot for dynamic networking and relaxed conversation.

Capacity	
Dynamic buffet format with a mixed solution: seated (Ve- randa) and standing (Foyer)	570 guests
Served Event	570 guests
Seated Buffet Event	500 guests

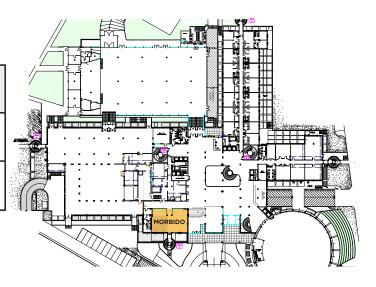

MORBIDO

The true jewel of Quark Hotel Milano's culinary offering is Morbido, the à la carte restaurant. Discreet and elegant, perfectly embodying Milanese style, it is a refined space that can be reserved for high-profile events, with a maximum capacity of 60 guests.

Capacity	
Served (recommended format)	60 guests
Buffet	60 guests

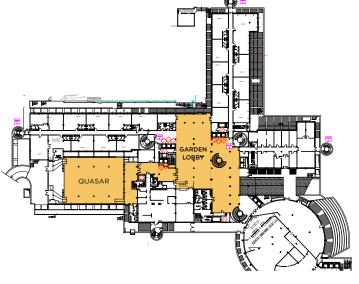

GARDEN LOBBY

A twin level to the Main Lobby on the ground floor, the Garden Lobby features expansive spaces enhanced by lush green corners and abundant foliage. This setting is perfectly suited for large-scale gatherings, whether for aperitifs or buffet-style events. When combined with the Quasar Room, the venue can accommodate events for up to 800 guests.

Capacity	
Standing buffet	550 guests
Dynamic standing buffet format in Quasar and Garden Lobby	800 guests

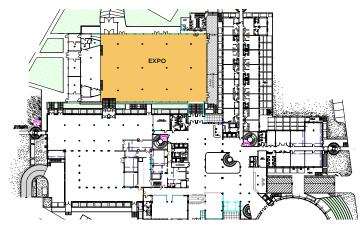

EXPO HALL

With its 1,450 square metres, the Expo Hall is the largest space within the hotel—and one of the largest venues for meetings and events in all of Milan. Located on an intermediate level between the Main Lobby (ground floor) and the Garden Lobby (level -1), it is directly connected to both main lobbies as well as to the Event Foyer. Natural light flows through almost the entire perimeter, enhancing the space. The hall is extremely versatile and can be configured for any type of setup: meetings, conferences, exhibitions, cabaret-style layouts, gala dinners with live entertainment, seated or buffet dining, and dancing events.

Capacity	
Served	840 guests
Buffet with seating	840 guests
Standing buffet	700 guests

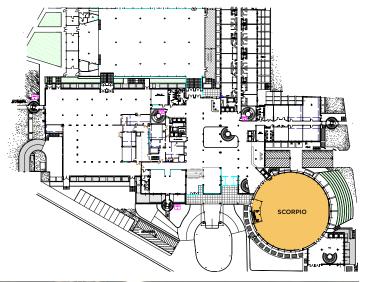

SCORPIO HALL

A high-impact, perfectly circular plenary hall featuring natural light along its entire perimeter and an impressive 12-metre ceiling height.

Directly connected to the hotel's main lobby and also accessible from the outside via its own private entrance, this 800-square-metre venue can be configured for conferences, corporate events, dance parties, concerts, and cocktail services.

Capacity	
Buffet with seating	300 guests
Standing buffet	400 guests

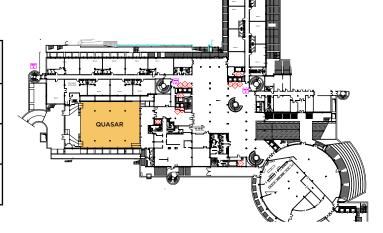

QUASAR HALL

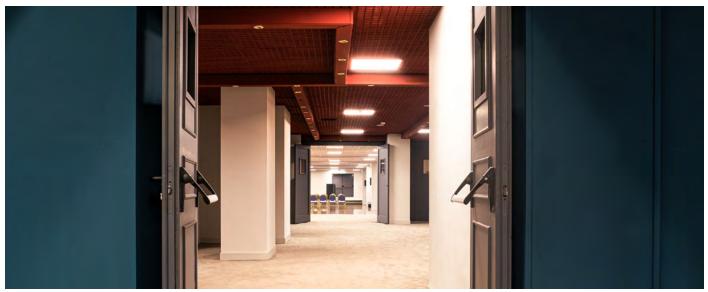

A 600-square-metre plenary hall with natural light, stage, and surrounding service-friendly areas. In addition to conferences, it is also ideal for served or buffet dinners, thanks to its convenient connection to one of the hotel's three kitchens.

Capacity	
Served	250 guests
Buffet with seating	220 guests
Standing buffet	300 guests
