Restaurants and bars

With an exclusive restaurant, a bar and a fantastic sun terrace, the NH München Airport also fulfils your culinary desires throughout the day – from breakfast in the morning to dinner, as well as at lunchtime or for the breaks during your company event. Of course, we'll also serve you coffee and food in the event area itself on request.

Our restaurant – culinary delights for up to 95 people

In the morning, we welcome the guests of our bright, well-lit hotel restaurant on the ground floor with a hearty breakfast buffet, which also includes regional delicacies such as original Munich Weisswurst sausage.

Later in the evening, our menu impresses with a selection of Mediterranean and international dishes as well as typical Bavarian specialities. We'll be happy to reserve seats and provide a customised range of food and drinks for you for private events.

Beer garden and terrace – unlimited enjoyment for up to 45 people

In summer, our spacious terrace adjacent to the restaurant and our traditional beer garden invite you to enjoy refreshing drinks and hearty dishes under a sky mirroring the traditional blue-and-white colours of Bavaria. Of course, the outdoor areas are also available for your events.

Airport Bar – seats 32 in a modern ambience

You can enjoy a refreshing drink and have a pleasant conversation with partners and colleagues, or simply enjoy a moment of relaxation at our modern bar, located right next to the restaurant. Sporting events are also available to watch live on a large TV screen. In addition to a large selection of beers, German and Spanish wines, long drinks and cocktails, we also offer a range of small snacks.

Meetings and events

Whether it's a meeting or conference, a company anniversary or a wedding celebration – our fully air-conditioned and soundproofed event rooms on 2 floors can accommodate up to 300 people for a wide variety of occasions. Large windows ensure that plenty of daylight enters the rooms but can also be completely darkened if desired. 4 of the 6 rooms on the ground floor can be flexibly divided and combined and are accessible by car, making vehicle presentations also possible, for example. An extensive range of equipment for presentations adds the finishing touch to what we offer.

You can also host private barbecues for up to 50 people on the adjoining summer terrace.

All event rooms have been equipped with state-of-the-art audiovisual technology to ensure your event runs perfectly – whether it's a video conference with interpreters or the set-up for an in-person conference. Together with our chef, we'll compose the ideal menu for your guests. We'd also be happy to add an original and very special touch to your coffee breaks.
