## HOSPITALITY REINVENTED BY PARIS SOCIETY

Paris Society is showcasing a unique French hospitality experience.  
By investing in a historic landmark, the group embodies its hotelier ambition:  
L'Abbaye des Vaux-de-Cernay.

## AN ESTATE STEEPED IN HISTORY

The walls of L'Abbaye des Vaux-de-Cernay echo with 900 years of history.

From the Cistercian genesis to the golden age of the Rothschilds, L'Abbaye became an immense playground for imagining an incredible XXL family home in the heart of preserved nature, only 45 minutes from Paris.

Under the talented guidance of *Cordélia de Castellane*, who has imagined each decor down to the last detail, designed each pattern and conceived each room in a singular way, drawing inspiration from the history of the site, the estate turns classic hotel codes on their head and forges deeper bonds with its guests.
