DANUBE CITY

## Location

The NH Danube City is located in the 22nd district of Vienna, Donaustadt – one of the city's most modern and dynamic districts. Just a few steps away from the Vienna International Centre (VIC) and the United Nations buildings, our hotel is the ideal location for international business guests.

Thanks to the nearby U-Bahn stations Kaisermühlen/VIC and Alte Donau, the centre of Vienna and the main train station, as well as sights such as the Prater with its world-famous Ferris wheel, can be easily reached in just a few minutes. Reaching the hotel is also simple: a public airport shuttle operated by the City of Vienna stops right in front of the hotel and takes you to Vienna International Airport in around 35 minutes.

Located in the middle of Donau City, a district that was only created in 1996, the immediate surroundings are characterised by striking high-rise buildings: above all, the imposing DC Tower 1, which, at 250 metres, is the tallest building in Austria. You can enjoy a breathtaking view of Donau City and the rest of Vienna from the 18th floor of the hotel.

Our hotel is committed to sustainability and has been awarded ISO 14001 and Bioscore certification.

## Meetings and events

As a modern meeting and conference hotel, the NH Danube City offers you 10 function rooms and 5 boardrooms in different sizes, which can be flexibly combined. This means that large conferences or meetings with up to 500 attendees can be just as easily accommodated as smaller meetings with 6 participants.

In addition, you can use our Foyer Atrium for up to 250 people for your coffee breaks, business lunches or for dinner.

All event rooms have been equipped with state-of-the-art audiovisual technology to ensure your event runs perfectly – whether it's a video conference with interpreters or the set-up for an in-person conference.
