AVANI STYLE IN AMSTERDAM

Putting a new spin on a classic destination

At Avani Museum Quarter Amsterdam Hotel, you're right in the heart of all that is wow about the city. We're 500 metres from the trifecta of the Rijksmuseum, Van Gogh Museum and Stedelijk Museum Amsterdam, with the ritzy shopping of P. C. Hooftstraat just beyond that, and across the canal is boho De Pijp with its eclectic restaurants

and terrace bars. Best of all, when you're done exploring, you'll return to the comfort, convenience and uniquely energising style that Avani brings to Amsterdam.

Retro-chic accommodations

Think of the Netherlands, think of De Stijl and Piet Mondriaan, with bold lines and colours making our rooms and suites a feast for the eyes. And while the style may be retro, our amenities are the latest and high-tech, with a power shower and Nespresso to wake you up in the morning, and your personal soundtrack and movies to wind down with at night.

Standard Double

Although cosy at 18 sqm, a passion for functionality means every detail has been well thought out in our standard rooms, with everything you need for a comfy stay within easy reach.

Standard Double With Canal View

When in Amsterdam, stay overlooking a canal, we say. And ours is extra special, flowing down all the way to the Rijkmuseum (if you need a little inspiration for your day's adventures)!

Standard Panoramic Canal View

Nothing symbolises Amsterdam like its lifeline canals that flow throughout the city. And in our panoramic rooms, you get just that – a panorama – of daily life drifting by.

Superior Panoramic Canal View

For the best views in the house, our top floors feature wrap-around glass, and the city spread out before you. Add to that chic loft-style living, and you're living the dream.

Deluxe Room

More space is what our Deluxe Rooms are all about, with 30 sqm to play in and a convertible sofa bed for a third guest. Best of all are the 180° views of the canal right in front of the hotel.

Junior Suite

Live life at the top, with our roomiest lofts featuring chic open-plan living, superior amenities, and simply unbeatable views of the canal through floor-to-ceiling glass.

Dining your way

At Avani, we're all about fresh, healthy flavours and dining as and when you want. Fuel up in the morning, grab a treat at The Pantry and head out for the day, then return to the comfort of in-room dining available 24/7. Nearby De Pijp is also a treasure trove of boho restaurants to explore.

Good Morning

Our morning spread is fresh and refreshing, with cold-pressed juices, still-hot pastries, and a continental buffet which of course includes the best of Dutch cheeses! You can also ask our chefs to whip up some eggs or pancakes.

The Pantry

The Pantry is Avani's signature solution to life on the go. You can grab a smoothie and sandwich as you head out the door, or dine in with a healthy selection of wraps, bowls, homemade pasta and pizza made to order.

Working

If you must work on holiday, we make it a pleasure, with one of the prettiest boardrooms in the city. Gaze out over the canal as you conference call or host a meeting for up to 10 people, with all connectivity and coffee breaks seen to by our dedicated team.

Working out

With a whole suite of Technogym equipment, and 24/7 access, AvaniFit leaves you no excuse to skip a workout! We've got virtual personal trainers on call to keep you on top of your game. And for those who prefer working out in the great outdoors, the famous Vondelpark is just down the road.

Signature experiences

Amsterdam is one of the world's favourite cities for a reason. You can spend days wandering its famous squares, museums and parks, drinking, eating and shopping.. But we take you behind the scenes, and show you a new side of city life bursting with young energy.

Canal SUPping

The most original way to experience the city starts here – on a standup paddleboard, so you can get in some exercise while you sightsee! Whether you want to float solo, or join a buzzy group, we'll find the perfect route for you – within the 9 straatjes, through leafy parks, or with pit stops for pizza and beer.

Music, movement, meditation

If meditation has never worked for you, maybe you just need to shake it up a little. We combine hypnotic beats, immersive visualisation and let-loose dancing to still the mind and free the spirit. And in summer, we take the experience outdoors so you can bathe in Mother Nature's healing.
