THE HOTEL

The legendary luxury hotel where '60s celebrities came to see and be seen.

THE NEW KIMPTON LOS MONTEROS

The return of the legend, reimagined with a modern twist.

KIMPTON LOS MONTEROS is an ode to the Mediterranean, a tribute experience to the golden years of Marbella in the 70s with different culinary spaces, swimming pool, spa, sports areas and the most intimate views of the coast.

ROOM & SUITES

Designed by Cristina Carulla's interior design studio and inspired by Marbella's old town, these luxury rooms exude a vacation-ready atmosphere with a vintage Mediterranean charm.

Every detail tells a story. From spacious terraces with stunning sea views to luxurious Diptyque amenities and plush designer bathrobes, every element has been carefully curated to elevate your stay. Thoughtful touches like Nespresso machines, yoga mats, and locally sourced products in the minibar complete the experience, ensuring both comfort and style.

RESTAURANTS & BAR

At Kimpton hotels, restaurants and bars are the heart of the experience. Leading this culinary journey is none other than Michelin-starred chef **José Carlos García**, our Executive Chef at Kimpton Los Monteros Marbella.

His cuisine embodies a unique personality: a balanced blend of loyalty to his roots, respect for his family legacy, and, as he likes to describe it, **"a touch of Rock & Roll.**
